Trim Trail

Thanks to your generosity with the fund raisers before Christmas, not only did the children have great Christmas parties and entertainment but we have been able to use the rest of the funds raised and add them to some government PE funding and complete the final phase of the trim trail.

Relationships and Sex Education (RSE)

As you may know, the government recently changed their guidelines on teaching and learning for this area. Relationships education is statutory for all children. Parents can choose to withdraw their children from any sex education. Our curriculum has units of relationships education but we do not teach any sex education units.

Our curriculum outline (<https://www.stpaulstongham.com/curriculum/relationships-and-health-education>) and draft policy (<https://www.stpaulstongham.com/app/download/12235827/RSHE+2021+DRAFT.pdf>) are both available on the school website. Please have a look and catch me or send an email with any questions or feedback.
