Headteacher's Newsletter – 17th January 2022

Covid

There are a steady flow of children and staff testing positive for Covid. Thankfully, at the moment, no-one seems to be too unwell with it.

We will let you know if someone in your child's class tests positive so that you can follow the government guidance – which is for you to lateral flow test your child (as a close contact) every day for 7 days.

There are also a large number of cases in the community and so if someone in the home tests positive please follow the government guidance and lateral flow test everyone in the household for 7 days.

In terms of attending school, your child only needs to be absent if he/she is positive and in line with current guidance, we are not able to authorise absence outside of this.

Where a child tests positive for Covid and is not unwell we will be able to offer online learning via Google Classroom from the next working school day.

Friends of St Paul's

I am really pleased to be able to let you know that an amazing £906.75 was raised from the Christmas Fair. This means that we should be able to order lots more of our Monster Phonics books for children to be able to take home to read. Thank you for your support and generosity.

The next Friend's of St Paul's meeting is planned for Thursday 27th January via zoom from 9 -9.30pm. All welcome.
